Ataana is someone that you want to learn more about....he has this soothing quality, and you can see a great wisdom in him!

Ataana is an amazing person...I didn't realize I needed him!

The Prosperity Meditation is something that I could do at home. I can't wait to read his book!

Ataana was soothing and a real treat to meet. You can feel his presence.

Ataana was wonderful! You want to be around him!

Above Feedback from those at the Oct 2017 Empowered Light Holistic Expo:

I've worked with Ataana for years. I've had amazing success with his guidance and am honored to work with him. Sue Greenwald

About Ataana

Ataana is an Intuitive Crystal and Energy healer, who teaches the Ataanamethod of healing. He is an Author and Singer/Songwriter and Producer with several Albums published, including the Prosperity Healing Mantras. He works with Groups and individuals to assist their spiritual awakening, helping many to find their way into their deeper healing purpose and success in life.

At an early age, Ataana experienced an awakening that made him aware of God's presence and the oneness in all of existence. He knew that he would assist others in their awakening process and healing journey.

Ataana is a self-taught learner, who awoke to inherent deep inner visions to see and understand complex multidimensional patterns, karma, morphogenetic fields, and future and present projections based on inner energy flow in and around him. He has access to the multidimensionality of realities, the oneness, including people who passed on, angelic, and extraterrestrial beings. He easily sees past and parallel lives. It was also natural for him to intuitively apply transformational energy to assist those he

Living in the Oneness

This session will be experiential! Through a variety of meditative practices and group energetics, you will experience the Oneness. You'll learn more about the Oneness and Multidimensionality and how to use the Oneness to assist with manifestation. This will be a Oneness consciousness that you will use!

Awakening to Your Higher Vibration

Awaken & Activate to create a powerful year, springing you toward the life you envision, including success, prosperity, health & happiness. In this session, you'll release obstacles and break through blockages to experience profound transformation....NOW! You'll experience immediate shifts, and will create lasting energy to propel you forward for the upcoming year! This session combines discussion, transformative healing energy, & meditations.

Transformation Through Sacred Inner Dialogue... A Life Changing Experience

Transformation will help you to lovingly release unhealthy patterns, emotions, & beliefs from your belief systems and fill the newly formed spaces with healthy, life-affirming patterns. This interactive group session will immediately start to shift energy and blockages that are holding you back from the life that you want. Everyone in the audience will receive healing & transformation, while several volunteers will receive targeted mini healing sessions.

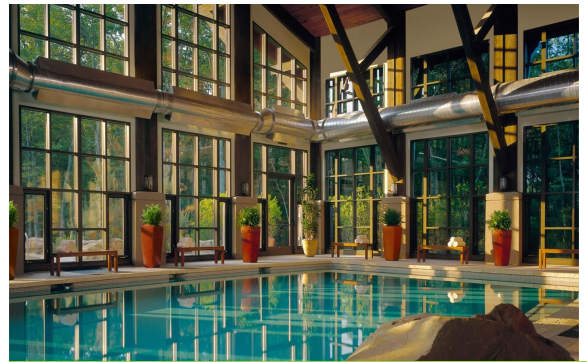

This will start to work immediately in your life. Learn about Sacred Inner Dialogue, and how you can use this technique for everything!

Prosperity Healing Mantras- Tune in to Unlimited Prosperity!

Chanting and listening to the Prosperity Healing mantras connects & aligns you with the frequency of Unlimited Prosperity. This energy of Abundance includes having more than enough of everything: physical health, connection with God and the Universe, loving relationships, as well as having more than enough money.

In this session, you'll learn how & why to do the mantras, and chant them for 11 minutes.

Every time you listen and chant the mantras, you're amplifying your prosperity consciousness! More frequent use will help propel you to increased prosperity.

Ready to Connect & Align with Spirit? To help Raise our Collective Consciousness?

Are you ready to connect more strongly with your higher self, your purpose in life and bring your full life force into every area of your life?

Are you ready to uncover what programs have been holding you back and fully step into your power?

Are you ready to be in a state of effortless-ness and include this healthy energy flow into all areas of your life?

Onement Meditation

The Onement combines energy healing and clearing, as well as activation of higher energies & consciousness. Healing energy flows to everyone participating in the Onements, involving the participants and their surroundings,

This meditation will provide immediate assistance. For more support, weekly Onements are offered by Ataana, via the live phone session or the recording.

For more info about weekly Onements, visit <http://www.ataanamethod.com/onement->
